ORDER

The following order is entered in the above matter:

ORDER:

No discovery motion shall be filed unless counsel making the motion has conferred, in person or by telephone, with opposing counsel and discussed the discovery issues between them in detail in a good faith effort to eliminate or reduce the area of controversy, and to arrive at a mutually satisfactory resolution. In the event the consultations of counsel do not fully resolve the discovery issues, counsel making a discovery motion shall file with the Court, as a part of the motion papers, an affidavit certifying that he or she has conferred with counsel for the opposing party in an effort in good faith to resolve by agreement the issues raised by the motion without the intervention of the Court, and has been unable to reach such an agreement. If some of the issues raised by the motion have been resolved by agreement, the affidavit shall specify the issues so resolved and the issues remaining unresolved.

Memoranda by both sides shall be filed. Each memorandum shall contain a concise statement of the nature of the case and a specific verbatim listing of each of the items of discovery sought or opposed, and immediately following each specification shall set forth the reason why the item should be allowed or disallowed. Where several different items of discovery are in dispute, counsel shall, to the extent possible, group the items into categories in lieu of an individual listing of each item. Every memorandum shall include, as exhibits, copies of the discovery requests in dispute.

If a party does not file a memorandum in opposition to a discovery motion within 21 days of said motion, said party will be deemed to have waived his/her objection thereto.

Judicial Notice (JDNO) was sent regarding this order.
