Application

I am a self-represented party in the case named above and I want to require the person or entity listed below to testify in this case. I think that the testimony is necessary and ask that the judge or family support magistrate in this case review this application without notice to the other parties in this case. If this case has not been assigned to a specific judge or family support magistrate, I ask that the administrative judge or any judge or family support magistrate designated by the administrative judge review my application without notice to the other parties in this case. If the judge or family support magistrate decides that the subpoena should be issued, I ask the judge or family support magistrate to have the clerk of the court issue the subpoena.

I understand that I have to give any subpoena(s) issued to a state marshal (an individual authorized to serve the person(s) being subpoenaed) or other authorized person and I must pay the state marshal or other authorized person a fee for serving the subpoena(s) unless the court determines that I am financially unable to pay for such expenses.
